A NEW HIGH IN TRAVEL LUXURY

Highway travel reaches a new high in comfort and luxury with the advent of Greyhound's new Super-Coach. This \$23,000.00 bus is the most beautiful and luxurious vehicle ever seen on a highway. It is a gleaming creation of dynamic streamlining. The sides are made of polished stainless steel, fluted for greater strength. It is driven by a new type velvet-power Diesel engine, mounted at the rear of the bus. Greyhound and General Motors engineers who designed this remarkable new Super-Coach, gave every consideration to the comfort of the traveler. At the entrance, a retractable step slides out for easy street-level boarding. The new Ray-o-zone air-conditioning system maintains the most comfortable temperature at all times. All windows are double safety-glass to seal out the cold or heat. Individual seats have soft, sponge-rubber cushions and are adjustable to four positions.

Plans Made For Campaign To Fill Chest

With the Redwood City Community Chest fund campaign scheduled to start next Tuesday morning, chest officials are busy this week completing arrangements for the drive to fill the chest.

Winfield Scott, in charge of the drive, has nearly completed his job of "conscripting" precinct captains who will direct the drive in 25 precincts. The precincts are exactly those used in voting, and a captain will be selected from each precinct. These captains will name as many assistants as they may require.

Precinct captains and their co-workers will attend the chest's "kick-off" banquet at the Sequoia High School cafeteria Monday night, when they will receive their final instructions. Service and women's clubs and other organizations plan to attend the banquet, to which the public is invited.

The banquet will begin at 6:45 p.m. Dinner will cost 75 cents a plate.

County Approves Mills Estate Plan

Tentative plans for subdivision of "Burlingame Village," portion of the Mills Estate between El Camino Real and the Market St. Rwy. tracks north of Burlingame City limits, have been approved by the county planning commission. Planning Engineer Ronald Campbell announced. The commission also has approved the tentative subdivision map of the last unit of the Millbrae Highlands Subdivision.

Central Committee Makes Campaign Plans

Members of the Democratic Central Committee met in Colma Monday to map plans for the Presidential campaign in San Mateo County. Frank Garibaldi, Colma, was named chairman of a campaign committee to co-operate with the central committee. Headquarters will be opened in each town, it was announced. The committee will meet again Oct. 1 in South San Francisco.

Youthful and intriguing is this black velvet gown in the new pinafore style, shown at Walster's. White filagree lace outlines a wing effect over the shoulders. The bodice is flatteringly shirred, the back cut low.

27 Members Named To Defense Committee

Twenty-seven Redwood City organizations have named representatives to the Redwood City Committee for National Defense, reports Roscoe D. Wyatt, chamber of commerce secretary. Forty local organizations have been asked by the chamber to appoint representatives to the committee, which will collaborate with the Army and Navy on defense work. Organization of the local committee was requested by the Northern California Committee for National Defense, and the California State Chamber of Commerce.

Cyclist Injured On Bayshore Hwy.

Don Fraser, 38, employee of the Veterans' Administration Facility in North Palo Alto, suffered a broken leg and other injuries at 5:30 p. m. Tuesday when his bicycle was run down by an automobile on Bayshore Hwy. near Redwood City. Driver of the automobile was Preston Stallinger, 29, San Francisco. The accident occurred one-half mile north of Redwood City.

Naval Reserve Seeks Volunteers Here

Volunteers to enlist for a year in the U. S. Naval Reserve as radiomen and signalmen are being sought now, according to Lieut. A. C. Adams, USNR., whose office at the Redwood City Fire House on Middlefield Rd., which is open each Tuesday from 8 to 9 p.m., has complete information regarding opportunities offered men between the ages of 17 and 35.

Burned Will Admitted To Probate Here

Although the will of Frank Madonna, deceased Half Moon Bay rancher, was burned by one of his daughters last year, it was admitted to probate in superior court Monday by Judge Maxwell McNutt in one of the county's strangest estate cases.

Five daughters of the rancher contended that two sons operated the ranch and failed to give proper accounting. Sons replied with an action demanding that Madonna's 1931 will be admitted to probate. The daughters contested the action, contending that a gift deed disposing of Mr. Madonna's vast ranch supplanted the will.

Adelia N. Madonna, San Francisco, one of the daughters, admitted that she had destroyed the will, but a true copy was admitted by the court. She was named executrix but refused to serve. The court named the sons to administer the state. They posted \$500 bond.

One of the daughters is Mrs. Della Gardner of Redwood City. The will provided that her two daughters should receive \$250 each.

16-Year-Old Driver Faces Court Action

Dep. Dist. Atty. Burress Karmel announced today that any prosecution against 16-year-old

Donald Lilly, Burlingame high school student, on charges of causing the death of Bonnie Jean Corrie, 17, in an automobile accident would be handled in the juvenile court. What course of action would be followed will be determined after a conference with Probation Officer Francis Robinson, Karmel said. Yesterday a coroner's jury sitting in Burlingame held Lilly responsible for the girl's death. The accident occurred as Lilly was driving Miss Corrie and four other high school girls home from a skating party Sept. 6.

Salvation Army Aids R.C. Children

In its service of rehabilitation of mankind, the Salvation Army consistently returns to Redwood City more than it receives from the Community Chest.

This worldwide organization, which operates in 39 countries and colonies and has been in existence for 74 years, since Jan. 1 of this year has given 426 days of care to Redwood City children at its Lytton home for boys and girls. Total cost of this care was \$673.08. During this same period

the Army's home and hospital for unwed mothers cared for two girls and two babies from Redwood City for a total of 307 days at a cost of \$406. Yet the Army has been receiving considerably less than that amount each year from the chest and expects to get at best only \$1000 this year.

The Salvation Army's service is of inestimable value to the whole of society—it is a beacon light to some (this is reflected in their religious and spiritual activi-

ties); it is a shelter in time of storm for others (this is shown in the many institutions for boys, girls and adults); it is a storehouse of physical necessities for many (this is reflected in its vast relief program).

At the Salvation Army boys' and girls' farm at Lytton, Sonoma County, orphans, half-orphans, and juvenile delinquents are cared for. They are given elementary and high school privileges, taught agriculture and stock-raising, all by capable instructors. This farm has a capacity of 205. There seldom is less than this number in the home at any time.

The army maintains a home to care for Japanese children in San Francisco. This meets another community need, as does the maternity hospital located in Oakland for the care of the unwed and betrayed girl.

Because such services as these can not be valued in dollars and cents, leaders of the Salvation Army feel that Redwood City should consider itself fortunate, in the face of such need, to have a place of refuge for these, its unfortunate citizens, and feel privileged to contribute to the support of the Salvation Army.

While the Salvation Army carries on a large and extensive relief program, it by no means recognizes this as its greatest interest, as the government has taken over the major responsibility for relief throughout the country. The Salvation Army is re-emphasizing its fundamental program of social adjustment and rehabilitation by religious and spiritual emphasis supplemented by its preventative work among girls and women and its character-building program among the boys and girls of all classes, creeds and color.

R.C. Firm Just Misses

A Redwood City firm missed winning the El Camino Real paving contract by a matter of \$1530 difference in bids, it was learned here today when additional details were disclosed of the offers submitted in Sacramento yesterday afternoon for the work.

Marshall S. Hanrahan Co. of Redwood City offered to pave the 1.3 miles of El Camino Real between Broadway and Charter St. for \$210,832. The winning bid of \$209,302 was submitted by Piazza & Huntley and Trewhitt, Shields & Fisher of San Jose.

Work on the long-awaited project is expected to begin within a week or so. Most of the buildings along the highway, which is being widened into a four-lane thoroughfare, have been moved back. The State of California yesterday in superior court here obtained immediate possession of 53 parcels upon which no price agreement had been reached and posted \$27,078 as guarantees to pay when the courts decide on the price.

Scouting Activity Increased Here

The Boy Scouts of America, an agency of the Redwood City Community Chest, have served more than 450 boys in Redwood City in seven troops during the past year. Under the leadership of Chairman George Angus, the district has made rapid progress toward a goal of 500 scouts by Dec. 31, 1940, forming two new troops and revitalizing the activities of a third.

Troop 162 was organized by the Italian-American Club at the Garfield School, under leadership of Leslie Grimes and Max Shaffer. Nineteen scouts were enrolled as charter members, five of whom enjoyed two weeks at Summer camp through courtesy of the Lions-Tribune fund

and the San Mateo County Council.

Cub Pack 16 was organized by parents of McKinley School with Albert Morgan Jr. as cubmaster. With 25 cubs registered to date, plans for a full pack of 32 boys are developing rapidly.

Troop 120 was reorganized under the leadership of Scoutmaster H. S. Stout and the Congregational Church assumed sponsorship.

Progress in activities was noted under the leadership of

Chairman Bert Werder. About 250 scouts camped at the district camporette in "Butcherfield," and then participated in the council camporee on the Mills Estate. The district aquatic meet, participation in the County Scout-o-rama, and in three large courts of honor in Redwood City were some of the other outstanding activities of the year.

Establishment of a field office in the city, at the recreation department, with Field Ex-

ecutive B. P. Datson available every Tuesday and Thursday from 2 to 5:30 p.m. is another improved service made possible by the work of the chest last year.

Outstanding on the year's calendar was the securing of Redwood City of the 1940 Regional Sea Scout Regatta over Labor Day, which attracted 750 Sea Scouts from all over California to the harbor.

Howard King, Clyde Howard, Max Leonard and Perry A. Bydnes were largely responsible for the success of the event, as representatives of the regatta

committee from Redwood City. Plans for other scouting progress during the coming year include the installation of two new troops and a cub pack, at least one of these units to be located in the Five Points area.

The cost of sending a potential criminal through our court system and corrective institutions averages \$80 a year for every criminal in the county. An investment of but \$10 to help these boys get scouting will pay real dividends.

A GOOD number to remember—Redwood 2000—let an ad-taker help you.—Adv.

Store Is Scorched By Afternoon Blaze

Flames from a rubbish fire at the side of the Land Mark Cash Grocery, El Camino Real at Willow St., a short distance south of Five Points, scorched the side of the building but caused no serious damage, the fire department reported after answering an alarm from that point at 1:50 p.m. Monday.

Apparently the fire broke out spontaneously in a pile of litter, Fire Chief Mark E. Ryan. The building is one of the oldest in

that section of the city.

Pranksters had fun early Sunday morning at the expense of the city firemen, turning in two false fire alarms in the early hours.

The first alarm came at 1:18 a.m. from a box at the Brewster Ave. and Fulton St. intersection. Firemen responded in full force, only to discover there was no fire. An hour and a half later, when they were just getting to sleep again, they were called out on another alarm from Main and Stambaugh Sts.

Police Chief C. L. Collins was investigating.

County Inspectors Attend Convention

Five sanitarians in the San Mateo County health department had returned today from the National Association of Sanitarians convention at Bakersfield where they were guests of the Kern County health department. Dr. C. C. Gans, county health director, sent to the convention Chief Sanitary Inspector John Fickelstein and Inspectors Maurice Rothchild, William Morrison, Mel E. Schlamm and Joseph Turek.

Girls 'Cutting' Class Involved in Smashup

SAN MATEO—Two San Mateo High School girls were hurt and four others were unhurt Wednesday morning when they "cut" a school class to take an automobile ride. Headed west on Crystal Springs Rd., the car driven by Laverne Cummings, 16, went out of control, tore down 30 feet of picket fence, and ended up against an oak tree just west of El Cerrito Ave.

Miss Cummings and Demetra Karuntzes, 16, both had several teeth knocked out and both were cut on the face. Miss Karuntzes suffered a possible jaw fracture. Miss Karuntzes told Hillsborough police that the girls had skipped attendance at a gymnasium class to go for the ride.

MODERN LAMPS for COMFORT SEEING—

Have you tried one of the new swivel-arm I.E.S. lamps? It is an adjustable light. Swing it close over a chair while reading intently. Swing it around to bridge table or piano. Nothing stiff or formal about this kind of light. You'll like it.

Do you like lots of light at times? You know, for sewing with blue thread on black cloth, you must see each fine stitch. Then you will want a lamp that you can turn on "full up." That is where you will appreciate a one-two-three lamp, especially a 200-300-500-watt ALL PURPOSE Floor Lamp.

Young folks want and need the very latest in lighting! Studies are harder than in the days when Ma and Pa went to school. That is why eyestrain is more prevalent among school children now than a decade ago. Give eye protection to the student's in your family with an I. E. S. Study Lamp. Its low cost will surprise you.

BELMONT—Belmont will bid for the establishment of the California Maritime Academy here, according to plans discussed by the city council Monday night.

Councilmen agreed with Postmaster Frank O'Brien, treasurer of and spokesman for the Belmont Chamber of Commerce who pointed out that Belmont is ideally situated to meet the academy's requirements. An excellent climate, which has attracted sanitariums and private schools to the community, availability of adequate acreage fronting on a dredged channel in the Bay, nearness to San Francisco and other Bay points, are factors favoring Belmont as a site for the academy, councilmen pointed out.

OTHERS ALSO ACTIVE

Other Bay Region communities have been seeking the academy, which is being forced out of its California City location by expansion of Navy facilities to include its quarters.

The academy, which trains officers for the merchant marine, has an enrollment of about 150, and is supported by tuition fees, funds from the state, and appropriations from the U. S. Maritime Commission. It is bound by present law to have its base in the San Francisco Bay Region. It requires 50 acres adjacent to navigable waters.

The council will co-operate with the chamber of commerce in selecting a possible site on available land, and contacting the academy to present its proposition.

ANOTHER POLICEMAN

Another police officer will be placed on duty Sundays at the Ralston Blvd. and El Camino Real intersection to help cross-traffic through the intersection. Operation of the signal at the crossing for a longer period on Sundays during the rush hours is also planned. At present the signal is on only for two hours in the morning and two hours in the evening.

the evening. Councilmen favored installation of a manual-switch which would enable pedestrians to operate the signal. The matter was turned over to the police commission for further action.

Surfacing of Fifth Ave. between O'Neill Ave. and Harvard Blvd. was discussed, but no action was taken. The surfacing job on Holly, connecting South Rd., was accepted.

In reply to a written request from Governor Olson, Mrs.

Catherine Heartsner, city clerk, was instructed to write to the California State Council of Defense, listing local defense organizations, private or public. The American Legion post and chamber of commerce have both taken up the matter of defense plans, the state council will be informed.

Possible sites for a much-needed city dump were discussed. Several locations are being considered.

Stiff Fine Imposed On Drunken Driver

Given his choice of paying a \$250 fine or serving 100 days in jail, Roy Ernest Pelton, 32, Menlo Park, was in the San Mateo County Jail at Redwood City today as the result of his pleading guilty late Monday before San Mateo Judge A. H. Stetson to charges of drunken driving.

Pelton was arrested Saturday night near Community Hospital

after a chase by police from San Mateo-Hayward Bridge. During the chase, Pelton swerved into a patrol car, damaging it, and injured Officer Pence when he tried to arrest him.

Mrs. Clinton M. Gleason Heads New Methodist Society

At the charter meeting yesterday of the Woman's Society of Christian Service which will replace the Ladies Aid for the First Methodist Church Mrs. Clinton M. Gleason was elected president.

Serving with her will be Mrs. Thomas W. Badley, first vice president; Mrs. James C. Dodge, second vice president; Mrs. Chester O. Ellington, third vice president; Mrs. Ernest Baker, recording secretary; Mrs. Ramon Dimick, corresponding secretary, and Mrs. Paul Baker, treasurer.

New circle leaders are Mrs. William I. Steele, Highland; Mrs. Donald L. Bogle, Lincoln; Mrs. W. Earl Whitaker, Sequoia; Mrs. Kenneth Sanders, Toyon, and Mrs. Diego Moyano, Leleja.

INSTALLATION HELD

Following the charter meeting, the Rev. Samuel J. Chaney installed the officers. Mrs. Ben Leese was the organist. Vocal music was provided by a trio comprised of Mrs. Montell E. Bigler, Mrs. Badley and Mrs.

Whitaker, who sang "The Green Cathedral" by Hahn and "The Glow Worm" by Lincke. They were accompanied by Mrs. Steele. Devotional readings were given by Mrs. Dimick, "Our Heritage," and Mrs. Chaney, "The New Day."

Mrs. Emily Vasquez, who holds the longest membership in the church, was the first to sign the charter. She was followed by 65 others. The charter will remain open until Oct. 12 when it is to be presented by the president to the state organization.

OUTGOING HEAD FETED
A gift was presented to Mrs. Bogle, outgoing president of the now non-existent Ladies Aid.

Refreshments were served by Lincoln Circle with Mrs. L. F. Winklerwerder, leader, assisted by Mrs. William Prentice, Mrs. Merland Bell, Mrs. Dimick, Mrs. Ellington, Mrs. John Furnas and Mrs. Walter Altmeyer.

The circles will hold their next meeting Wednesday, Oct. 9.

\$180,000 In Hess Estate

The property left by Mrs. Regina Hess, 76, widow of Arnold E. Hess, founder of a road building firm here, when she died at her home at 432 Middlefield Rd. Apr. 23, was valued at \$180,574.29 in an appraisal filed in superior court here today by James A. Lee.

Bulk of the estate was in stocks and real estate.

The property was left to relatives, with most of it going to Mrs. Hess' two daughters, Mrs. Marie J. Buschke of 3039 Broadway, Redwood City, and Mrs. Emily A. McPhee, 1401 Floribunda Ave., Burlingame.

FRANCES ELEANOR FLORA

Frances Eleanor Flora, daughter of Mr. and Mrs. Vern U. Flora of Gordon St., Redwood City, is called Nan by her parents, as the result of her not too successful attempt to pronounce her first name. But "Nan" was a good enough substitute for Frances, and it stuck.

Nan, just past two (she was born Sept. 2, 1938) weighs 27 pounds. She resembles both her parents. Her father is a salesman for Pacific Gas & Electric Co. She walked when a year and a half old, and had her first tooth at six months.

Being read to is Nan's favorite pastime, and as for colors, any pretty color pleases her.

STANFORD UNIVERSITY

The Stanford University Evening Series, which was attended by 28,342 people during the last academic year, will be resumed on Oct. 1. The Committee on Public Exercises has arranged a varied program for the fall quarter and announces the following:

Thomas A. Bailey, professor of history, will open the series next Tuesday speaking on "American Foreign Policies in a Changing World."

On Oct. 8, Nicol Smith will speak on "Burma Road." His lecture will be illustrated with motion pictures taken on his journey along the fabled Burma Rd. from Yunnan-fu to Lashio.

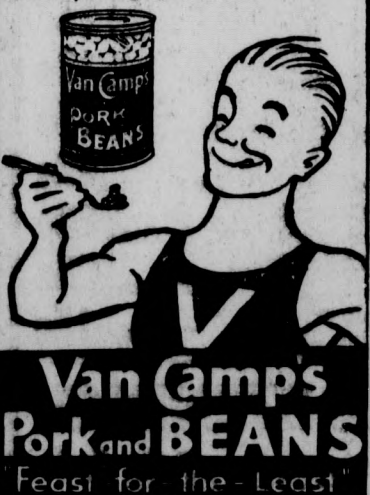

Sir Hubert Wilkins, distinguished explorer and scientist, will speak Oct. 15 on "Next Steps Toward Civilization."

The university invites all to attend the series for which there is no charge. The programs are held in the Auditorium of the Memorial Hall at 7:30 p.m.

Toastmasters Warm Up For Kickoff Meeting

John W. Brand was chairman at the Toastmasters Club meeting Monday at the First Methodist church. George Peavey of Palo Alto was visiting critic.

Speakers and their subjects were: Floyd F. McCue, "Good Printing;" Max L. Gelber, "Northwest Passage;" B. B. Martin, "Inside Work of a Fiesta;" James A. Toso, "Polaroid Light."

Next Monday night, four club speakers will give short talks at the Redwood City Community Chest's annual "kick-off" dinner at the Sequoia High School cafeteria.

Rev. Charles Gatchell's Brother Dies in Ohio

Rev. Charles H. Gatchell of Redwood City has received word of the death of an older brother, James W. Gatchell of Dunkirk, O. Mr. and Mrs. Gatchell visited with James Gatchell last June. He would have been 79 years old next month.

MENLO PARK NEWS NOTES

MENLO NOTES FOR BEACON. MENLO PARK—Isabelle Weeden Lindquist, chairman of hospital-entertainment for the 26th District American Legion, presented the following program at the Veterans' Facility near Palo Alto last Friday:

Features by Dorothy Roberts Studio—1. Searf dance, Wanda Reynolds, Jane Sevier, Dorothy Ashley, 2. Butterflies, Muriel Rae Raame, Gwendolyn Patrick, 3. Jack-in-box, Richard Angus, 4. Jump rope, Nancy Christensen, 5. Bunny babies, 6. Scotch dance, Patsy McGaffigan, 7. Skaters' Waltz, Karl and Ethel Hunchen, 8. Doll dance, Diane Smith, Gloria Ward, Patsy Marcus, 9. Song and tap dance, Billy Foster, May Kennedy, 10. Dutch dance, Claudette Smith, 11. Staircase tap, Betty and Marie Kennedy, 12. Song and dance, Muriel Rae Raame, 13. Toe tap, Anne Kennedy and Patsy Bradshaw, 14. Grand finale, military tap, featuring Dorothy Gray in fantastic acrobatic dances.

This same show was put on at Treasure Island last month and received much favorable comment and many fine press notices. The patients enjoyed their hour of entertainment to the

utmost. First Vice Comm. Phil Blanchard of the 26th district represented the American Legion and many other prominent legionnaires were present.

Jack Welsh received his pilot's license last Monday and is now a full fledged aviator. He may carry passengers in his plane to any part of the state. Young Welsh is a careful flyer and may enter the government service.

The city council met in regular session Tuesday night and nothing but routine business was transacted.

Paul Leech, son of Mrs. Robert Bradley of Menlo Park, has left for Boulder, Colo., to enter his second year at college there. Leech is a bright young man and is certain to make his mark at the university.

Ralph H. Soper, who died at Palo Alto last Monday evening, was well known in Menlo Park, having been born here 51 years ago. After graduating from Stanford as a mining engineer and geologist, he traveled all over the world and won fame and wealth in his profession.

His father, Edgar Soper, was the station agent here for many years. Later he moved to Palo Alto where he became Wells-Fargo agent.

Edward O'Keefe and James Houston of San Mateo returned from a visit to the Willow Gun Club Monday and they report a larger number of ducks are there from the north and that good shooting is assured when the season opens next month.

Upwards of 2000 people witnessed "A Night in Old Menlo," in the Kuck gardens Saturday evening. The program was well arranged and the players did splendidly, making the occasion one long to be remembered. L. L. Johnston, chairman of the committee of arrangements, won praise for his excellent work. The announcer, Bob Cain, covered himself with glory by his witty sallies and his unique manner in presenting all numbers of the lengthy program. It is believed the performance may be repeated in the near future.

Gorge Moore, the contractor who passed away at Mayfield last Monday, was well known in Menlo Park. He erected the Brady and Ahlert homes on

Laurel Ave. and the Kugeler residence on Oak Grove Ave. and other buildings in the community. Mr. Moore had retired from business several years ago.

Frank Gainer, the mosquito district superintendent, leaves today for northern California to hunt deer. His friends are anticipating deer roasts for next week. Mr. Gainer is an excellent shot and hunter of note.

Another service station is to be opened in Menlo Park shortly. There are so many here now that one more will make little difference.

Mrs. Parks, wife of Major Parks, superintendent of the Menlo Military Academy, is quite ill at a Palo Alto hospital, having suffered a heart attack. She is recovering and may soon return to her home.

Mrs. Frank Brascoso suffered a slight fracture of the skull last Friday in an automobile accident while driving from Mayfield. In trying to avoid a machine driven by a Japanese, she swerved to one side and collided with a telephone pole. Mrs. Brascoso was thrown out. She is still in a Palo Alto hospital. The machine was demolished.
